MEMORANDUM FOR: Deputy Director of Central Intelligence

FROM:

Director of Central Intelligence

SUBJECT:

The Financial Export Control Act

I understand that one of the things at the NSC meeting this week deals with a proposal to authorize the President to restrict financial flows. I gather that the Attorney General and the NSC and Defense have bought this to give the President additional authority to restrict financial flows to countries whose policies we disapprove of who are stealing our technology, etc.

Here are some pieces of information and arguments on the issue which you may find useful.

William J. Casey
